The entry in last year's "Jane Austen Works and Studies" section for the 1996 paperback reissue of Park Honan's 1987 biography, *Jane Austen: Her Life*, inaccurately stated that the 1996 text, index, notes, and family trees are identical to those in the original edition. Professor Honan has made numerous revisions, corrections, and updates in all of these categories. The editors of *Persuasions* and the authors of last year's bibliography apologize for the erroneous entry.
